

# DYNAMINE

## ENERGY // MOOD // FOCUS

### APPLICATIONS

- NOOTROPICS/ BIOHACKING
- WEIGHT MANAGEMENT
- PRE-WORKOUT RTD
- GUT-BRAIN
- GAMING

DYNAMINE™ (methylliberine) is a fast-acting, high-impact ingredient found in kucha tea, and is a chemical cousin of both caffeine and TeaCrine®. It is believed that Dynamine™ (alone or in combination with TeaCrine®) is able to activate the central nervous system, without negatively impacting the cardiovascular system.

### DYNAMINE™ BENEFITS

After 20 years of limited innovation in energy products, Dynamine™ is poised to disrupt the energy category with its backed-by-science benefits and a growing list of toxicology, safety, and efficacy studies. Dynamine™ in combination with caffeine has been shown to improve energy, mood, alertness and focus.\*

In a recently completed university study, caffeine exposure (area under the curve – AUC) and half-life increased when co-administered with Dynamine™. Remarkably, the combination of caffeine + Dynamine™ you can get a much longer-lasting energy boost than you would be using the same amount of caffeine alone.\*

### Medicinal Ingredients / Ingrédients Médicinaux

Serving Size: 1 Capsule / Portion: 1 capsule  
Servings Per Container: 60 / Portions par contenant : 60

Amount / Quantité	Per serving / par portion
Methylliberine (as Dynamine™) / Méthylliberine (comme Dynamine™)	105 mg
Vitamin B-12 (Methylcobalamin) / Vitamine B-12 (Méthylcobalamine)	2 mcg

**Non-Medicinal Ingredients:** Magnesium Stearate (50 mg), Vegetable Cellulose (capsule).

**Ingrédients non médicinaux :** Stéarate de magnésium (50 mg), Cellulose végétale (capsule).

**Recommended Use:** Take 1 capsule of DYNAMINE™ daily.

**Utilisation recommandée :** Prendre une portion de DYNAMINE™ par jour.

**Risk Information:** Consult a health care practitioner prior to use if you have a kidney disorder or if you are pregnant or breast feeding. May result in weight gain.

**Informations sur les risques :** Consulter un professionnel de la santé avant d'utiliser si vous souffrez de troubles rénaux ou si vous êtes enceinte ou allaitez. Peut entraîner une prise de poids.

Dynamine™ is a trademark and protected by Patents Pending claiming priority to Serial No. 61/903,362; under exclusive global distribution by Compound Solutions, Inc.

# DYNAMINE

ENERGY // MOOD // FOCUS

## CLINICALLY RESEARCHED AND VALIDATED IN MULTIPLE STUDIES

Preliminary human studies using Dynamine™ have noted that the onset of action is substantially quicker, with test subjects noting improved energy, mood, and focus (EMF) about 15 minutes post-ingestion with EMF peaking around the 60-minute mark.\*

## ABOUT COMPOUND SOLUTIONS

Compound Solutions is the go-to company representing and distributing unique, patented nutraceutical ingredients that improve the health and performance of individuals. CSI supplies effective, science-based ingredients to sports nutrition, functional food and nutraceutical companies. We are committed to building and maintaining long-term relationships with our global customers and suppliers.
