

CARNITINE BURN

PROLINE CARNITINE BURN™ is a refreshing L-Carnitine drink that effectively boosts energy levels and supports body fat reduction by assisting the body to release stored body fat and burning it as fuel.

L-Carnitine works by transporting fatty acids from food into the mitochondria of the cell where they are converted into energy. This allows you to burn fat during workouts, and will help to prevent muscle failure, fatigue. Green Coffee Bean and Green Tea serve as a natural, safe weight-loss agent and antioxidant, while working to promote an alert, focused mental state without the jitters. Grains of paradise is a natural fat burner which has been shown to help burn fat, reduce a person's appetite and boost their metabolism. Capsaicin can help speed up metabolism and reduce fat tissue, as well as suppressing appetite, while Chromium Picolinate can help improve insulin resistance and help regulate blood glucose levels.

Medicinal Ingredients / Ingrédients Médicinaux

Serving Size: 1 Scoop (4.1 g) / Portion: 1 cuillère (4,1 g)
Servings Per Container: 30 / Portions per container: 30

Amount / Quantité	per 1 Scoop (4.1 g) / par 1 cuillère (4,1 g)	per 100g / par 100 g

Non-Medicinal Ingredients: Natural Flavours (525 mg), Citric Acid (280 mg), Stevia (135 mg), Calcium Silicate (100 mg), Natural Blueberry Powder (for colour) (50 mg), Erythritol (50 mg), Silicon Dioxide (50 mg)

Ingrédients non médicinaux: Arômes naturels (525 mg), Acide citrique (280 mg), Extrait de feuilles de stévia (135 mg), Silicate de calcium (100 mg), Poudre de bleu de fruit naturel (couleur) (50 mg), Érythritol (50 mg), Dioxyde de silicium (50 mg)

Recommended Use: Mix 1 scoop of **CARNITINE BURN NATURAL** in 200ml to 250ml of cold water and shake for a few seconds. Take 1 serving per day 30 minutes prior to training, on non-training days take 1 serving per day on an empty stomach. During your workout, it is recommended that you drink plenty of water or performance beverage such as **PROLINE BCAA Stack** or **Vegan BCAA**.

Utilisation recommandée: Mélanger 1 cuillère de **CARNITINE BURN NATURAL** dans 200 ml à 250 ml d'eau froide et agiter pendant quelques secondes. Prendre une portion par jour 30 minutes avant l'entraînement; les jours sans entraînement prendre une portion par jour avec l'estomac vide. Durant votre entraînement, il est recommandé de boire abondamment d'eau ou de boisson qui aide à la performance, tel que le **PROLINE BCAA Stack** ou **Vegan BCAA**.
